

Submitter: Margaret Morrison

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I feel strongly that the Frog Ferry will be a very positive addition to Portland. It will help reduce traffic on our roads. It is another form of transportation in case of an emergency. It will help fight climate change, and it will be a lot of fun!

I am asking you to please fund The Frog Ferry with monies from The 2025 Transportation Package!

Margaret Morrison
