

Submitter: Krystal Peak

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

As a parent of two young children in Milwaukie, I think it is critical that our families be able to access roads and trails and get around our communities without the need of cars. The ability to move around and see the beauty of nature is central to our lifestyle. Anything that our government can help in facilitating a more car free or less car dependent life is important to us.
