

Submitter: Greg Stephens

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

My wife and I oppose HB 2025. We are on a fixed income and any and all new taxes poses a financial burden on us. I understand the State thinks it is needs new taxes. But it does not. Time to tighten your belts and live within your budget.

Thank you.

Greg and Linda Stephens
