

Submitter: Pamela Zweifel
On Behalf Of: 2025
Committee: Joint Committee On Transportation Reinvestment
Measure, Appointment or Topic: HB2025

This bill is very unfair. Many families are struggling just to pay bills and feed their families. This I believe is government overreach. You can spend money more wisely and save enough to avoid the necessity of taxing citizens above and beyond common sense costs. You need to make choices that work for Oregonians. This bill is not good for your constituents. You risk being voted out because of poor policies and unfair taxes. Beware we're watching you.
