

My name is April L. Schnaubelt and I live in Florence, Oregon. I'm writing to express my strong opposition to House Bill 2025. With the cost of living already straining Oregon families, this bill would make it even more difficult to get by. Additionally, I work in the auto sales industry. Raising gas taxes, registration fees, and payroll taxes will place an unfair burden on working families like mine and well as local, individually owned auto dealerships. I urge you to vote no on HB 2025 and instead focus on holding ODOT accountable and making better use of the funding it already has.
