

Submitter: Michael Anderson

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

This bill is nothing less than an assault on the working class and the retired community. While other states enjoy lower taxes and fuel prices this travesty of a bill strives to make Oregon once again an idiocracy. If you long to be a tax and spend catastrophe like California move back there. We don't need or want this bill.
