As a senior person, I submit you are crushing those on a limited social security living.

Last week, I paid over 200.00 for registering and liscences for my vehicle! This is already outrageous! You must learn to live within your means. Big NO TO NEW TAXES! No to increased gas tax, NO TO IT ALL. STOP IT NOW. YOU ARE SUPPOSED TO LISTEN TO YOUR CONSTITUENTS. You are forcing people to move to other states.
