

Submitter: Nicole Pelham
On Behalf Of: The people safety nature
Committee: Joint Committee On Transportation Reinvestment
Measure, Appointment or Topic: HB2025

These safe lives of humans and animals. Save money car insurance is getting very expensive so the less accidents the better. Karma the science have been talk about the quantum realm, the quibits, the god particle and how they are listen and then decide what to be. The more kindness and happiness we give the more it is returned. The science is clear even if we dont know why. Love peace and unity with the living earth.
