Committee: Joint Committee On Transportation Reinvestment
Measure, Appointment or Topic: HB2025

My family and I oppose HB2025 for the obvious reason that we're already over taxed in Oregon due to the irresponsible spending habits of our politicians. we are struggling to feed our families and it's becoming harder and harder to keep a roof over our heads. A state that purports to care about its citizens sure doesn't spend it helping out its tax paying base , with out us there will be no money.
