

Submitter: Sharon Streeter

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

The emergency route in North Portland needs addressing and funding. It is unconscionable that the legislature would not consider funding initial stages for preparation to evacuate thousands of people in an earthquake or other natural disaster. Please see that funds are available for beginning the process of providing safe exit routes for St Johns, Kenton, and other vulnerable neighborhoods. Thank you
