On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I rely on Portland's public transport as my family's primary mode of transportation including to get to doctors' appointments, to the library, social outings, and to daycare. My son loves taking the bus and max around town--it gives us a chance to feel connected to the community. Without it, many local amenities would not be accessible to us such as the public library, which we utilize twice a month.
