I am opposed to the tax increases in this bill. The Republican members have submitted a proposal that should be looked at closer. We need to decide what we need as opposed to what we want. Maybe some of the transportation proposals made by Democrats are not affordable. I would remind those who are voting on this bill that voters in Dallas and Polk County voted against new taxes for a new police station, upgrades to the Fair grounds and Chemekata College. All of which I supported. I think voters are not in the mood for new taxes. So again I am opposed to this Bill and request a NO vote?
