

Submitter: Babs Vanelli

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

Hello, my name is Babs Vanelli, 77 year old life long Portland resident, currently in NE Portland. I watched the Rules Committee Public Comments Session on Thursday 6/12/25.

I want to add my voice to all who testified in SUPPORT of HB 2025.

I particularly applauded Mayor Keith Wilson of Portland and the Mayors of Beaverton and Bend.

In Portland, I support expansion of the Transit System, especially in East Portland, and all efforts to make Bike Lanes Safe.

My State Legislators are Rep. Tawna Sanchez and Sen. Lew Frederick and I am in touch with them.

I am also in contact with Rep. Travis Nelson and hoping his Bill regarding the CEI Hub/Zenith will be considered again next year.

Thank you for all your hard work.

Babs Vanelli
