

Submitter: Shannon Hoard

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I am extremely opposed to HB 2025.

I had not even heard of this bill before today, 6/13/25, a day after the public testimony was listened to. I cannot help but feel that this bill was meant to be rushed & hidden from the public.

That is NOT proper governance, nor is it ethical.

Vote NO on HB 2025!
