Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

I oppose any new taxes therefore I oppose HB 2025. It's absolutely disgusting and disrespectful to watch legislators jest over the high increase it will cost Oregonian taxpayers. So much so that they refuse to say so. I believe it's time for them to all take a big beautiful pay-cut and leave our kicker tax cut alone!!

NO ON HB 2025!!
