

Submitter: William Burt

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

To the Joint Committee:

Enough is enough. Oregonians are already paying some of the highest income taxes in the nation, in addition to sky-high property taxes and gas taxes. Oregon doesn't have a revenue problem; it has a SPENDING problem. It's time to slash our profligate spending on programs that don't directly benefit Oregon citizens. This atrocious bill needs to be put to a vote of all Oregonians, not just a few Democrats. I vote for a referendum.

Please kill this bill!

Thank you.
