

Submitter: Thomas Bowser

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

HB2025 should not be passed. It puts additional financial burden on Oregon citizens. It is overreach due to poor financial management by the elected leaders as well as waste/ fraud prevalent in government agencies.

This will hurt every middle income and low income earners both single and families. It will hurt our farmers.

Stop this bill!
