

Submitter: Andrew Prince

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

The proposed increases in HB 2025 are insane. This bill is burdensome to seniors and teenagers alike. It is directly aimed at us pesky automobile drivers.

What I've been hearing from republicans is starting to make more and more sense over the past few election cycles.

I will never vote for a Democrat again if this bill passes and that's the truth.

I speak for my Wife as well

Thank You,
Andrew Prince
