Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

HB 2025 is a giant increase in taxes for all Oregon Citizens, and is especially damaging to those of us who are retired and on fixed incomes. There is no accountability for the billions of dollars ODOT has received in the last few years, the waste and lack of results. Yet the Democratic party wants to award them even more money.

It is time to back up and put all of this to Oregon voters instead of back dooring it. Let us, the citizens of Oregon paying for this decide !
