Committee: Joint Committee On Transportation Reinvestment  
Measure, Appointment or Topic: HB2025

Hello Co Chairs and Joint Committee on Transportation Revitalization

HB 2025 still needs more \$ for EV's and more \$ for Transit  
to keep Oregon pollution down and provide more frequent transit service which  
creates more transit ridership.  
Please tweek HB 2025 so that it shines and spreads it's \$ funds equitably across  
Oregon to benefit all Oregonians and our visitors.

Many thanks for your passing HB 2025 with Smart improvements that benefit future  
generations!  
Keep Oregon Green!
