no to 1B in new taxes

Please do not implement tolls on the roads! That would ruin our commutes and roads and already terrible drive times as people go into neighborhoods to avoid toll's.

We cannot afford to pay anything more when driving places!

Many people will not be able to drive to work and school.

Many people are already struggling. We can't pay more on top of gas, car payments, insurance, etc to just get to work and school.

Please NO!! no to 1B in new taxes
