

Submitter: Patty Spradlin

On Behalf Of:

Committee: Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

Dear Legislators,

I am vehemently oppose the passing of Bill 2025. I urge further and lengthy analysis of this bill. Oregonians are burdened by high taxes with no apparent relief in sight.

We cannot tax our way out of the severe problems facing Oregonians. Please reject this bill!

Thank you,

Patty Spradlin
