

Submitter: David Wall
On Behalf Of: Mr Oregon OPPOSES HB 2093
Committee: House Committee On Revenue
Measure, Appointment or Topic: HB2093

I OPPOSE [HB 2093].

From the TEXT of [HB 2093], "... SECTION 1. The Legislative Revenue Officer shall study the estate tax. The Legislative Revenue Officer shall submit a report in the manner provided by ORS 192.245, and may include recommendations for legislation, to the interim committees of the Legislative Assembly related to revenue no later than December 1, 2026."

*** I have a much better idea. Eliminate the Estate Tax all together.

*** The piss-poor managed, 'welfare-state-supporting mongrels' in State of Oregon Legislature, should be prohibited by an Oregon Revised Statute the legal authority; to reach into the deceased coffin, interfere with the deceased eternal rest, and callously steal money and or property bequeathed to the grieving and now persecuted descendants.

** [HB 2093] has 'No' Budget allocation and Funding Source(s) are not identified to pay for the professional report dictated by [ORS 192.245].

** [HB 2093] has 'No' Budget allocation or identified Funding Source(s) is hereby incomplete and therefore is an incompetent piece of Legislation.

*** [HB 2093] should be rejected and denied (with extreme prejudice).

David S. Wall

Mr. Oregon Concurr and says, "The State of Oregon Legislature unconscionably stoops so low to stealing money and or property from the Dead. May God deliver a serious Pox on their households."
