Joint Committee On Transportation Reinvestment

Measure, Appointment or Topic: HB2025

Dear Co-Chairs and Members of the Committee, My name is Raymond Bockelman and I live in Portland. I'm submitting testimony today to ask for your support for the submitted amendment to HB 2025 to increase investment in Oregon Community Paths via the Multimodal Active Transportation Fund through a luxury vehicle tax. I am on the Board of the North Portland Greenway which advocates for a pedestrian trail along the Willamette River from the East Side Esplanade to the confluence of the Willamette River and the Columbia River at Kelly Point Park. Please support our organization and all of the Portland citizens working to make this city more bike and pedestrian friendly and safe for travel.

Thank you for your leadership on this important issue.
