Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	HB3908

Raising the percent of voters registered to a party to make it a major party is an answer looking for a question. A minor party does not have to nominate a candidate for a race and this can endorse another parties candidate. Independent party has met or surpassed 5% and has endorsed one party in past 20 years. They want to keep doing this without any consequences. I oppose this one sided bill and urge you to do the same.
