

Submitter: Stephen Demergasso  
On Behalf Of: SELF  
Committee: Senate Committee On Finance and Revenue  
Measure, Appointment or Topic: SB1196

Would the chair of the Senate Committee on Finance and Revenue please recind the overly emotional testimony of opponents of this legislation? What type of state are we if one or two emotional testimonials by injured persons, or by the or surviving family members of deceased persons, drive a legal policy within this state that places huge risk on anyone operating an activity-based business in this state that tens of thousands of people otherwise peacefully enjoy every year?
