

Submitter: Alan Journet

On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: HB3390

I endorse the position taken by the Consolidated Oregon Indivisible Network in opposition to this proposal - a perfect example of a solution, that undermines democracy, in search of a problem. It reads like an extract from Project 2025. There is no justification for the legislature to abrogate unto itself the right to develop a title and summary of ballot measure petition items when these should be developed by those crafting the proposal.
