On Behalf Of: SWM Ski Team
Committee: Senate Committee On Finance and Revenue
Measure, Appointment or Topic: SB1196

My name is Zachary Flier, I am a Senior attending Sherwood High School. I am a member of my schools Ski Racing team, if this bill is not passed by the end of this month, our 2025-2026 season will be cancelled. This would mean over a thousand high school students across Oregon will have their winter sport cancelled over the issue of insurance, I have done this sport since 8th grade and this year is my final chance to participate in it with my team and friends, so I plead to you to pass this bill for the sake of thousands of students just like me.
