Committee: Senate Committee On Finance and Revenue
Measure, Appointment or Topic: SB1196

I'm writing to strongly support Senate bill 1196. I am the race director for OSSA of central oregon. Our race program supports approximately 50 to 70 high school athletes competing in Alpine ski racing in the central Oregon region. They represent their high schools, and compete across the state including at state championships. Without insurance for our program and our teams these high school athletes will not be able to participate in compete in their sport. It is imperative that this bill is addressed and supported by the end of your session.
