Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: HB3962

I appose House Bill 3962. As a small business owner on the southern oregon coast we need this money to help generate revenue to our small town. We utilize this in ways to advertise to bring in outsiders to our community for travel and tourism. If we don't have travel and tourism Bandon would not be able to survive. Nor would anyone on the south coast for that matter. Please do not pass this bill, small communities in Oregon rely on this.

Thank you Heather
