

Submitter: Brian Earls
On Behalf Of: Highlander Motel
Committee: Senate Committee On Finance and Revenue
Measure, Appointment or Topic: HB3962

The transit tax that is collected and intended for advertising to visit our area is vital to our continued economic health and taking funds away from this activity would hurt our local economy and will hurt our local chamber of commerce from the work they do. Please do not take our \$ just so you can pay for homelessness and other activities as we as small business cannot afford to make less and give more. Thanks for your consideration. Brian Earls
