Subject: Formal Opposition to HB 3962-A

I'm writing to formally express my strong opposition to measure HB 3962-A. After careful review of its provisions, I am deeply concerned about the potential negative consequences this legislation could have on our community. In my view, the proposed measure does not adequately address the underlying issues and, in fact, risks creating more burdens than benefits. Such a major cut to the funding to these organizations that bring in business to our towns will have a significant harmful effect to all lodging providers. Especially when tourism is the biggest driver of business to these towns.

I respectfully urge you to reconsider the merits of HB 3962-A.

Thank you for your time and for considering my perspective. I look forward to seeing thoughtful deliberation on this matter and a commitment to working towards solutions that truly benefit all constituents.

Sincerely,

Robert Lee
