On Behalf Of: Mr Oregon OPPOSES HB 3940
Committee: Senate Committee On Rules
Measure, Appointment or Topic: HB3940

I OPPOSE [HB 3940]. Record keeping will cost more than actual costs incurred to fight wildfires.

Too many taxes, too many indexes spell increased inflationary pressures on the economy.

Let us not forget [HB 3984] where the Public Utility Commission (PUC) is tasked with studying wildfires.

The House of Representatives are creating overlapping Legislation that solves 'zero' problems.

"SECTION 19. (1) The State Board of Forestry shall appoint the first five voting members of the Emergency Fire Cost Committee described in ORS 477.440 on or before December 31, 2025." That is all we need another 'committee' designed to tax us to death.

The "Grants" (Section 45) are discriminatory per se.

[HB 3940] is crap and therefore should be rejected and denied with extreme prejudice.
