

Submitter: Morgan johnson

On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: HB3392

HB3392 is not an exceptable response to managing campaign finance transparency. Any entity which chooses to pass off its culpability towards a nebulous future point is accounting for the precedent that they may continue kicking the can down the road. If anything is an indication of guilt it is this last minute attempt to undermine a desire for campaign transparency.

Vote no on this bill which only hopes to indefinitely stall reform
