On Behalf Of:	Oppose -5 amendment
Committee:	House Committee On Rules
Measure, Appointment or Topic:	HB3392

June 25, 2025

Chair Representative Bowman, Vice-Chairs Representative Drazen and Pham,
Members of the House Committee on Rules:

I urge you to oppose HB 3392-5 that impairs 2024's HB 4024 provisions to set limits on campaign contributions, disclosure requirements, or enforcement provisions.

There should be no further delay in HB 4024's implementation, as there is ample time to prepare the necessary rules and processes. I support the technical changes to HB 4024 that have been suggested by Honest Elections Oregon; however, enactment of the -5 amendments to HB 3392 would only further efforts by monied interests to dominate Oregon's legislative system. The -5 amendments represent an example of the worst of backroom deal-making: please oppose the -5 amendments to HB 3392.
