HB3392

I am so angry to wake up in the middle of the night and learn of amendments to HB 3392 that would delay the reform to Oregon's voting system that the bill should be promoting! If HB 3392 with the -5 amendments passes, it will play right into the hands of monied interests to dominate Oregon's legislative system. The -5 amendments are an example of the worst sort of backroom deal-making and against what Oregonians want and deserve.

PLEASE OPPOSE HB 3392 WITH -5 AMENDMENTS!
