Committee:	House Committee On Rules
Measure, Appointment or Topic:	HB3392

Dear Chair Bowman and Committee Members,

It is beyond time to enact finance reforms in this state (and our country) if we want to preserve a fair and democratic society. Witness the last few elections where big money tried to buy the governorship and other positions. Let's put an end to that and give it back to we the people, not the few excessively rich or the faceless not-people organizations.

Richard Crimi
