HB3392

As a proponent of democracy, I strongly oppose the amendment to this bill, which delays implementation of campaign finance reforms voted in last year with HB 4024. HB 2024 already included ample time to write the rules for implementing contribution limits (34 months) and the disclosure of top donors (46 months). There is simply no reasonable excuse for delaying implementation until 2031 and beyond, as stipulated in this amendment. Drop the amendment so that we can begin to get big money out of Oregon politics!
