Measure, Appointment or Topic: HB2977

It's a no brainer to pass HB2977. This tourist tax supports wildlife in Oregon. I volunteer in the Nature Store of Bird Alliance. We meet people from all over the world wearing their binoculars, looking for birds and wildlife. To think that they would not come because of an increase in the their hotel's tax doesn't make sense. I urge you to vote yes on HB2977.

Thank you,
