Committee: House Committee On Rules

Measure, Appointment or Topic: HB3392

Oregon ranks one of the worst in campaign finance laws. Am I hearing here that the state can't implement its own measure enacted 3 years ago? Seems hard to believe, must be a competency issue. Please kill this bill in committee and focus on implementing HB4024. Or as an alternative I suggest initiative position #9 which HB4024 replaced. It is a better law than HB4024 anyway.

Thank you.
