

Submitter:	Bonnie Hadley
On Behalf Of:	supporters of OR tourism
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	HB2977

Having just completed Oregon Wine Month, it should be obvious that this measure needs to be voted down. With all the options travelers have, regardless of special interest (outdoors, wine, beaches, history), increasing our hotel taxes will be a check-mark in the "cons" column for Oregon. Stop increasing taxes; instead, tighten belts and practice some fiscal responsibility.
