Measure, Appointment or Topic: HB2977

On behalf of the Oregon Wildlife Foundation, I'm writing to express our support for HB 2977. Passage of this bill provides sustainable funding for work that needs to be done including implementation of Oregon's state wildlife action plan, support of the Oregon Conservation & Recreation Fund, support of the wolf depredation compensation and financial assistance grant program, anti-poaching efforts, wildlife rehabilitation, invasive species control, and wildlife passage projects.

All of this is critical to the long-term conservation of Oregon's natural resources and we urge your passage of this critically important legislation.
