HB3392

I'm writing to oppose Amendment 5 that would delay the effect of campaign finance reform in Oregon. There is way too much big money in politics. Oregon needs to join 46 other states in setting limits, and you have had plenty of time to do this. What is this delay about anyway? I have trouble understanding why you would delay putting this needed reform in place. Please carry out the wishes of Oregonians who have repeatedly said they want campaign finance reform NOW.

Thank you.
