On behalf of Third Act Oregon, which represents people over 60 working to preserve the climate and democracy, I'm writing to oppose Amendment 5 that would delay the effect of campaign finance reform in Oregon. Third Act Oregon members know that there is way too much big money in politics. Oregon needs to join 46 other states in setting limits, and you have had plenty of time to do this. We want to know what is this delay about ? We have trouble understanding why you would delay putting this needed reform in place. We ask that you please carry out the wishes of Oregonians who have repeatedly said they want campaign finance reform NOW.

Thank you.
