HB3392

I am not just urging, but demanding that my senator (Dick Anderson) and representative (David Gomberg) vote a loud NO on HB 3392. Do not dismantle what the people voted for which is to limit campaign contributions and disclose the top donors. HB 2024 gave you plenty of time to sort out the details of implementation. 45 other states have implemented limits on campaign contributions. There is no reason why Oregon cannot do the same. No more excuses for hiding your top donors.
