

Submitter:

Kay Westerfield

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

HB2977

Dear Senator Prozanski,

We appreciate your strong efforts on behalf of Oregonians and our rivers, wild areas and wildlife. Please support HB2977 to protect our wildlife. It is even more important for Oregonians to step up support given the unbelievable cuts to federal funding.

Thank you so much,

Kay and Monte Westerfield
