Senate Committee On Rules

Measure, Appointment or Topic:

HB3390

We do not need the legislature involved in ballot titles or descriptions for referendums. That is the business of the individuals that create the referendum. We have a functioning legal body that does this in Oregon. It is called the Secretary of State's Office. It has functioned well in doing the job and should continue to do what it has always done - Provide legal guidance for the petitioners. Please vote no on HB 3390!
