HB2977

I am writing to express my sincere support for such common sense legislation. Being one of the lowest lodging taxes in the country, 1.25 percent is a very modest increase to ask for those interested in experiencing Oregon's natural wonders (including my own family). An average night of lodging would increase "vacationing costs" equivalent to a cup of gas station coffee. Honestly, we could ask for more, but alas... 1.25 percent will do. Please support HB 2977.
