Measure, Appointment or Topic: HB2025

HB 2025 needs to die a quick death. Democrats are out of their mind to keep taxing Oregonians who already pay some of the highest taxes in the nation. Just as bad you pass phony taxes and call them other things. Many Democrats lie about the “privilege tax” claiming car dealers pay it. False. Now you want to increase that and add a sales tax which Oregonians oppose.

What you need to do is reduce ODOT bureaucracy, quit spending gas taxes on bikes and transit, reform the mismanaged ODOT agency and the other failed state agencies. Further quit insuring and spending Billions on Illegals. That is an affront to Oregonians.

Republicans had a great proposal but the one party oligarchy ignored it which is wrong.

And no doubt if you're petulant, as a Democrat said, you will get a voter referral that will smash your bill to bits. One party bad bills are just that, bad.
