

Submitter: DeAnna Cormany
On Behalf Of: tax payers
Committee: Joint Committee On Transportation Reinvestment
Measure, Appointment or Topic: HB2025

I oppose this bill and more taxes. Oregonians can not afford this. We are struggling to make ends meet as it is. We need accountability as to where the current funds are going and why ODOT can not work with in their budget. You are stealing from the citizens of Oregon by implementing more taxes they do not want or can afford!!
